Limited Seedmen's E & O Liability Questionnaire

Named Insured: _____
Policy Effective Date: _____

1. Describe insured's seed germination testing program? (should include "cold" germ test)
2. How large is a germination test lot? How many acres will a test lot plant?
How long is a test lot kept?
3. Is the seed certified under the state standards? If so, please explain.
4. What kind of records does insured keep on seed sold?
5. Estimated value of production per acre of seed sold?
6. How is the seed distributed (i.e. wholesaler, direct, etc)?
7. Has insured had any seed germination failure, erroneous delivery, noxious weeds or error in mechanical mixture claims in the past? If so, please explain.

If additional explanation is necessary please use separate page.
